# ALL ABOUT 'ELITE'

## BSPA have the following 'Elite' Scheme for Graded Mares and Stallions

### WHAT IS 'ELITE' STATUS?

'Elite' status is required demonstration of success over a sustained period of performance either as a Sportshorse or at National Championship level. Two categories are in operation: 'Performance' Elite and 'Showing' Elite.

### WHAT IS 'PERFORMANCE' ELITE?

Performance elite is attained when a graded mare or stallion reaches one of the following verifiable levels in affiliated disciplines:  
Show Jumping – Grade B or above;  
Dressage – Medium Level or above;  
Eventing – Intermediate Level or above.  
Verification of the above levels will be required from the relevant governing bodies – the British Show Jumping Assoc, British Dressage Group, British Horse Trials Assoc or has represented GB in any discipline. There are also categories for driving, western, distance riding.

### WHAT IS 'SHOWING' ELITE?

Showing Elite offers 'Show' horses the same status as Performance Horses and is dependent on points gained by a proven showing record over 3 or more years at BSPA National Championship shows. Graded mares will require an accumulation of a minimum of 1000 points, whilst graded stallions will require a minimum of 2000 points. Should an animal gain the required minimum points in two season it must compete a further season and gain an additional 500 points to qualify. Points may also be accumulated from any progeny's results at National Championship Shows. Points gained by first-generation progeny of either the sire and/or dam would be awarded at 50% of progeny's points, whilst second-generation progeny would count at 25% of progeny's points and generations thereafter at 20% of progeny's points. Verifiable parentage is required and DNA matching may be required to be provided at cost of the owner.

### When are points eligible from?

Showing Elite points for graded mares can be accrued from as early as the first National Championship Show attended where points were gained. Stallions may only count points gained as a yearling or two year old if they are graded as a three year old. From Jan 99 stallions graded after three years old may only accrue points from date of grading awards.

### What points are awarded?

Points are awarded as follows:  
Qualification for Nationals – 50pts.  
Class Placing – 1st 100pts, 2nd 50pts.  
Qualifier finals – 1st 150pts, 2nd 75pts.  
Type Championship – champ 50 pts, Res 25pts. (Stallion, Mare, Hunter, etc.)  
Ring Championship – Champ 150pts, Res 75pts. (Pony, Horse, Youngstock, Traditional.)  
Working Hunter Supreme Championship – Champ 250pts, Res 125pts.  
British Coldblood Supreme/Traditional Championship – Champ 250pts, 2nd 125pts.  
Supreme Championship – Champ 300pts, Res 150pts  
Grand Champions +300pts

### WHAT DO I DO TO OBTAIN 'ELITE' STATUS?

If you think your graded mare or stallion is eligible for either Elite status then you should apply to the Society Secretary giving details of your animal together with a print-out of either competition results from the relevant governing body, or a list of results from 3 or more National Championship shows, not necessarily consecutively which we will then check, which will be verified by the Society. It is acceptable for an animal to achieve the Performance Elite in addition to the Showing Elite, but must fulfil BOTH criteria.

# TIPS FOR MARE OWNERS

1. Make sure you understand and agree stud fees and keep charges before taking your mare to stud.
2. Ask the stud which swabs they require for your mare well before you arrange her arrival at stud. Some swabs take weeks to get results which will cause delays.
3. Be honest in regards to any quirks or bad habits your mare has. Handling mares is often dangerous so if your mare kicks, bites, won't be caught – tell the stud.
4. Don't keep phoning up, the stud will inform you of covering progress.
5. Keep an eye on your mare's oestrus cycle, this will be invaluable to the stud.
6. If your mare is insured, tell the stud, give them a folder with all her details, name, age, etc.
7. Ask if veterinary bills are sent directly to you.
8. Make sure she has a leather headcollar, newly trimmed feet, vaccinations up to date and is in good physical order.

**MAKE SURE BONA FIDE BREED SOCIETY COVERING CERTIFICATES ARE ISSUED. ASK IF THE STALLION IS LICENSED AND GRADED – PHONE THE SOCIETY AND CHECK. DON'T USE HIM IF THIS IS NOT CONFIRMED.**
